

CSS Project #4

Unit #3 - CSS

WEB MEDIA
TEC 171/172

Name: _____

Directions: Use CSS Assignment #3 as inspiration to create a similar tribute page to a band, tv show, or artist.

1. Copy the cssAssign3 folder. Name it cssProject4.
2. Collect 6 videos from youtube.com.
 - a. Find the video.
 - b. Copy the URL.
 - c. Paste the URL in keepvid.com.
 - d. Click download.
 - e. Save the small (240p) .flv video.
 - f. Rename the video file using correct file naming techniques.
3. Search for a LARGE image of the artist.
4. Edit the image in Photoshop
 - a. Remove the background.
 - b. Optional: add a white background.
 - c. Crop the face so you see a little more than half of the face.
 - d. Save it for web as a .jpg (or .gif or .png if transparency is needed).
5. Adjust the original layout as needed.
 - a. Change colors.
 - b. Adjust column widths.
 - c. Switch out the background image.
 - d. Change title text.
 - e. Change header text.
 - f. Remove column headers and text.
 - g. Add new headers (use h1 and add some css styles).
6. Add videos to the page
 - a. Insert → Media → FLV
 - b. Browse for video (it must be in the folder!!).
 - c. Select a skin.
 - d. Choose 240 x 180 for the video size.
