

Web Media Project #1

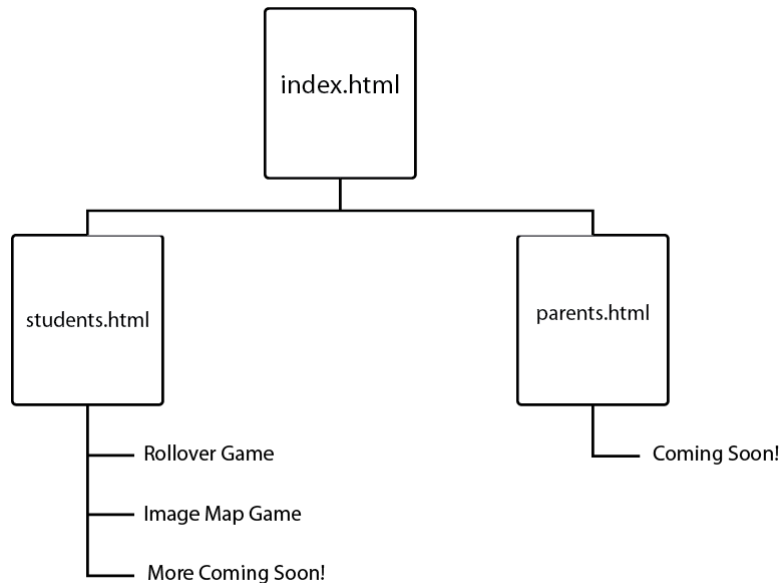

Unit #4 – Web Media

WEB MEDIA
TEC 171/172

Name: _____

Directions: You will be designing a website for Ms. Mumford's (or a name of your choice) 2nd grade class.

The following is a site map for the site.

Site Requirements:

1. Site design and color scheme should be appropriate for 2nd-grade students and their parents
2. Your site must have a consistent theme
3. Your site must have a consistent navigation
4. Your site must use a custom made background image
5. Your site must include a footer with your name and the year

index.html Requirements:

1. Page must include the following text:
Welcome to Ms. Mumford's 2nd grade online adventure

I believe that students learn best when they are having fun. This is a website where students can play games while learning and practicing the 2nd grade curriculum. This site will be used in class but can also be used at home.

Thanks for visiting and come back soon!

2. Page must include rollover buttons for students and parents

students.html Requirements:

1. Page must include a link to Dinosaur Flash Cards
2. Page must include a link to the Anatomy of the Heart
3. For now, you can type "More Coming Soon"

parents.html Requirements:

1. For now, you can type "More Coming Soon"
