

# NERD CORP.

## RYAN DRECHSEL

THE CUP WOULD BE CUT IN HALF SO THAT IT IS EASIER TO TIP. FOR THE ZIP LINE, I WOULD MAKE THE PAPER CLIP HOLD THE CUP BY PUNCTURING A HOLE IN BOTH SIDES AND MAKE THE PAPER CLIP HOOK AT THE END SO IT DOESN'T MOVE. I WOULD CUT THE NOTE CARD SO THAT THEY ACT AS A GUIDE FOR THE MARBLE AND MAKE A RAMP TO DECREASE THE GUESSING WERE IT WOULD EXIT. AT THE BOTTOM I WOULD ATTACH A STRING THAT WHEN I CALCULATE THE MOMENTUM OF THE MARBLE AND THE WEIGHT THAT WILL ALLOW ME TO HIT THE TARGET.
