**STATEMENT OF PROBLEM**

To design a twenty five thousand square foot sports bar and restaurant complex for Restobaraunt, a company owned by Allota Vagienna. The structure is to have a brick exterior with a steel internal structure and a flat green roof. The site is on 2020 Northeast Highway, Arlington Heights. The total cost of project is not to exceed \$2,000,000 and must be completed by June 1, 2010.
