## STATEMENT OF PROBLEM

To design a 48,400 square foot library garden café, for the community of Arlington Heights, and for Barnes & Noble. The structure will have a concrete block exterior with a steel superstructure and a flat commercial roof. The site is off of 2020 Northwest highway, Arlington Heights. There also needs to be parking on two different sides of the building, with a park establishment on the outside of the bigger lot. This project cannot exceed \$680,000, and must be completed by April 20, 2010.
