STATEMENT OF PROBLEM

To design a 48400 square foot sporting goods store and athletic facility for Strauss Inc. owned by Stefan Strauss of Vernon Hills IL. There will be large windows to emphasize the outdoors and to advertize the inside. There will also be a rock climbing wall in the 3 story area of the building. The commercial, 85032 square foot site at 2020 Northwest Highway in Arlington Heights, IL must have adequate parking and outdoor space. The total cost must not exceed 6 million, and must be completed by September 2011
